Global Distinction (GD)

The Global Distinction is a new Pitt credential that supports your growth in learning more about the world inside and outside the classroom. By completing course work across disciplines and participating in global activities and experiences at home or abroad, you can earn official recognition for your work. The credential also brings milestone rewards and, upon completion, a personal Global Distinction URL for use on your résumé and networking sites. The Global Distinction is a great way to demonstrate your cross-cultural exposure and awareness to potential employers. [Learn more here](#) or e-mail: yourpitt@pitt.edu.
